Bring your hometown together each December on National Wreaths Across America Day for a wreath-laying ceremony where your local community can thank each American Hero for their service and sacrifice. As a Location Coordinator, *you will make a difference.*

About Wreaths Across America

What started in 1992 as one man's annual gift to our veterans inspired a legion of volunteers and gave rise to the Wreaths Across America of today. In 2019, nearly 2.2 million veterans' wreaths were placed at more than 2,100 participating locations. More than two million volunteers nationwide joined in these efforts. National Wreaths Across America Day is held annually, on the second or third Saturday of December.

Remember our Fallen Veterans.

When a volunteer places a wreath on a veteran's grave on National Wreaths Across America Day, we encourage them to speak that veteran's name aloud, thank them for their service and sacrifice, and reflect on that person and their life.

Honor Those Who Serve.

Wreaths Across America honors our living veterans throughout the year by working with local veterans' organizations, as well as public outreach through Veterans Day and Memorial Day programs, public service announcements, press coverage and the WAA website.

Teach our Children the Value of Freedom.

Wreaths Across America is committed to teaching younger generations about the value of their freedoms and the importance of honoring those who sacrificed so much to protect those freedoms. We offer learning tools, interactive media projects and opportunities for schools, 4-H, scouts, athletic clubs, and other youth groups to participate in our efforts.

As a Volunteer Location Coordinator, you will bring your hometown together to further the mission of Wreaths Across America to REMEMBER, HONOR, and TEACH by holding a wreath-laying ceremony at your local cemetery.

We have a duty to thank each and every one of our nation's veterans. No matter where they are located - in a large national cemetery or a small local plot or somewhere in between - we will remember and honor them all.
