Father Bill's Weekly Message

The Bishop's Appeal

In the most recent issue of <u>One Voice</u>, Bishop Stephen J. Raica, the bishop of our diocese, quoted Pope St. John Paul II's encyclical about the coming of the Third Millennium, "Nove Millennio Ineunte". He wrote, "Remember the past with gratitude, live in the present with enthusiasm, and look forward to the future with confidence. "Jesus Christ is the same yesterday, today, and forever.""

What Pope St. John Paul and Bishop Raica are describing is faith. If we have faith in God, Father, Son, and Holy Spirit, then we will be people of hope- a realistic hope. That is because we believe God is in control. We can look at the past, the present, and the future and recognize the hand of God in our lives.

That is why pledging or contributing to the Bishop's Annual Appeal for Catholic Charities and Communities is an act of faith. Though human beings work in all the different ministries funded through this appeal, it is God who uses our contributions to show His mercy to those in need in Central and North Alabama. If we believe God is in control of the past, present, and future, then we are partnering with God to do concrete actions to further His kingdom.

This pledge drive is called "The Bishop's Appeal" because he is the one begging for help for those in need. None of the contributions go to the bishop's office. As he wrote in the article, "Providing aid for those in need and healing minds, hearts and spirits is at the core of the work of our parishes and diocesan-wide ministries."

Next weekend will be the special collection of pledges and contributions to Catholic Charities and Communities for 2025. It is an opportunity to be partners with God in the Catholic Church, to be people who hope in God to do for us what we cannot do for ourselves.
