These prices do not include tables, chairs, pots and pans, place settings and other soft items for the hall. It does not include athletic equipment, bleachers and other soft items for gymnasium. The Building Committee met on Tuesday, April 1st. Cindy Coyle our architect and Brad Kelly our contractor were present to answer questions. Father Bill is trying to get put on the agenda for the College of Consultors' meeting for April 30th to get permission to conduct a Capital Campaign for the construction project.
